

LEAD WITH FAITH

IN THE NEW YEAR

Pray these short prayers with someone who needs God's intervention:

INVITE THE LORD'S INTERVENTION

Heavenly Father, nothing is impossible for You. We ask for Your intervention. Let Your power and grace be made evident. In Jesus' name, amen.

INVITE THE LORD'S HEALING

Almighty God, thank You for the doctors and health care available to us. You are our Healer, and we ask for Your intervention. Bring health, life, and freedom from pain. Open a path toward health and wholeness. In Jesus' name, amen.

INVITE THE LORD'S PROVISION

Heavenly Father, You are the provider of all things. We ask now for Your provision in our lives. We put our trust in You, and we lay aside worry and anxiety. In Jesus' name, amen.
