

Israel 2027 tour planning is underway, and we are preparing for our next trip. We will have an informational meeting in early January.

We have found that a trip to Israel has a profound impact on how we understand our Bible and our faith. We are excited that you are considering this step of faith.

Below are some things you need to review or consider when making your plans to tour Israel.

The dates are June 22 to July 2, 2027. Currently, we are unable to confirm group seating on the airline. We hope to give you information by the end of January with suggested flight information. Teresa Wade will be glad to assist you in that process. She can be reached at teresa.wade@wochurch.org. If you prefer to book flights other than the suggested flights, you will need to get your own transportation to the first hotel.

- We will have transportation from Tel-Aviv airport to David's Harp hotel on June 23.
- We will have transportation from David Citadel in Jerusalem to Tel-Aviv airport the night of July 1 or the morning of July 2.

Additional information:

- Your passport must be valid through January 2028
- Touring Israel requires a level of mobility and endurance, and some find the daily schedule strenuous. **Every day will include walking 4 to 5 miles** on uneven ground, stairs and passageways.
- You should be able to participate in all aspects of the tour and travel at the pace of the group.
